Comment: the defibrillators and cabinets are not included within the fixed asset register. The defibrillators and cabinets have been purchased through a Managed Solution option. This means that they belong to Community HeartBeat Trust (CHT) for four years, so CHT deal with the insurance and maintenance. At the end of the 4 year period the Parish Council will purchase the items for £1 each.

Notes:

£558 taken off for bench that was removed

£370 on for new bench

£1741 for gateway signs

£295 for wooden posts

£115 for sign on play area
