

Chiddingly Annual Assembly 26th May 2020

As you may be aware it is now nearly the time for the Annual Assembly to take place in the village, this is where the parishioners and representatives of the Parish Council and other local organisations can come together to make comments and suggestions with regard to life in the village.

It is an informal arrangement aided by “wine and nibbles” and has proved to be welcomed by all over the years – this is not a Parish Council meeting but a village affair facilitated by the Council covering a wide range of agenda items however life has changed somewhat for the time being.

The current situation for all of us is that we continue to be a state of “lock-down” and we have no real idea when this will be lifted and it is with much regret that we will have to postpone the Annual Assembly until such time as we are in “safer waters”

I am sure that you are as disappointed as we are, however the safety of parishioners is the most important issue and this is really the only option available to us.

The Parish is trying it’s best to carry on as normal and you are welcome to contact any of the members of the Council, the details are on the web site and in the Parish magazine as are the details for the Clerk.

Please keep safe and we look forward to seeing you later in the year.

“We will meet again”

Julian Richards
Chairman
