

# Chiddingly Village Shop UPDATE

Sorry this is going to sound very formal but we have had to update the way we operate at Chiddingly Village Shop...

**Customers may only enter one at a time, please wait to be asked in so that we can try to keep you safe and our team safe.**

Please note when deliveries arrive they will have priority over customers.

If you would prefer not to wait please telephone orders through to 01825 872949 and we will do our best to organise it for you. Deliveries can be arranged by emailing: [volunteers@chiddingly.gov.uk](mailto:volunteers@chiddingly.gov.uk)

If waiting outside the shop please give each other plenty of space.

We are trying our best to replenish stock but for the time being please only purchase 1 of anything so that supplies last longer.

**Remember do not come in if you have any of the following symptoms: a cough, high temperature or shortness of breath.**

Many thanks to you all for your support.

Best wishes from

Sue & The Chiddingly Village Shop Team
