

Chiddingly Village Shop

Thank you to everyone who has come in and supported us this week. From tomorrow, Saturday 21st March, we will still be serving the fabulous Red Roaster coffee, and our infamous village made cakes, soup and flapjacks but it's takeaway only or on the seats outside.

We are working hard to keep the shop well stocked, local bread, milk and eggs are available. For those of you self-isolating we are working with the parish council to get provisions to you. To register for this service please email volunteers@chiddingly.gov.uk. Please ring your order through to the shop on 01825 872949, payment can be made by cash on delivery or by BACs transfer. If you are able to collect your order but don't wish to come in to the shop we can leave your order outside.

Our opening times at the current time are Monday to Friday 8am to 2pm and Saturdays 9am to 12.30pm.

Thanks again, from all the team at Chiddingly Village Shop
