**8.1 Application: WD/2019/0085/F**

Location: LATCHETTS COTTAGE, HIGHLANDS LANE, CHIDDINGLY

Description: Conversion of existing stables to provide one-bedroom apartment with off road parking and landscaping.

Update: Refused.

Response to parish council from WDC: The wider impacts of the development to the character of the area given the limited scale of physical extension and proximity to the existing dwelling and camping site limit any wider harm to the character of the area.

Notwithstanding this the site is located within an area where, as shown by two refusals on the adjoining part of the site, new build development is not acceptable under local or national policy. The proposal could only be acceptable if it complied with an exception policy for housing in rural areas. As the proposal is a part conversion of two existing buildings DC8 and RAS 3 are relevant policies for assessing the application against. The scheme does not propose significant extensions but notwithstanding this the nature of the buildings is such that they are simply not of a substantial enough construction to warrant an exception to policies of rural restraint setting the bar far too low for justifying a dwelling. As such whilst there are no other primary matters identified that warrant refusal the lightweight nature of the buildings precludes them from complying with current and emerging local plan policies of justifying an exception to the rural policies of restraint. As such it is recommended permission be refused. A copy of the Council's Decision Notice, along with the officer report, can be viewed online at <http://planning.wealden.gov.uk/plandisp.aspx?recno=144872>

**8.2 Application: WD/2019/0912/FA**

involving the variation of Condition 5 in order to change the colour to grey and enclose the previously open elevation.

Update: Approved

**8.3 APP/C1435/C/19/3223741 Appeal to Secretary of State against WDC enforcement decision for removal**

Location: Stream Farm, Dern Lane, Chiddingly,

Description: Erection of steel framed clad building without prior planning permission.

Update: WDC issued enforcement notice for this building to be removed. The owner has now submitted an appeal to the Secretary of State over this decision.

**9. Parking Issues at the former Golden Cross Inn – for information.**

It has been brought to the attention of the parish council that there are parking issues at the former Golden Cross Inn.

Residents of the new properties there are parking out on the road – as there isn't sufficient parking allocated for the number of vehicles there, especially when there are visitors too.

This was something the parish council raised concerns over when the planning applications at the site were being considered.

The parking on the road is considered to be dangerous.

This has been passed onto Wealden District Council Planning for their information, and Operation Crackdown – Sussex Police.

Councillors said they would also monitor the situation and escalate it to Planning Enforcement if need be.

**10. Parish Council Payments for the monthly payments to be approved, and cheques signed. - The Chiddingly Parish Council Payment List dated August 2019 was approved by all and signed by the Chairman of this Committee.**
