

Planning meeting July 2020

Item 9

Copy of the email received from Megan Holden at Millwood Designer Homes

Dated 23rd June 2020

Good Afternoon,

I recently spoke with Julie O'Donnell on the phone who asked if I could forward my questions onto your inbox.

I am interested in finding out about the status of your Parish's Neighbourhood Development Plan and would appreciate if you could answer the following:

- Have you been designated as an area by Wealden District Council? If so when?
- Are you preparing a Neighbourhood Plan?
- If so do you have any timescales for the various stages of undertaking a plan?
- Who is the best contact for this matter?

I am happy to discuss this over email or phone and can be available any time during the working week.

Kind regards

Megan
